

ABOUT US

Our aim is to offer you the right solutions by using the time efficiently while you are focused on your own business. Hedef does not compromise its principles while working. Knows the trues, if not, investigates and generates new alternative trues. Hedef learns fast and knows that capital of the business is the cost of learning. Hedef is proactive, takes the position before the events, thinks quickly, moves calmly. Hedef predicts, followed by others, and is a pioneer. Always working, investigating and never compromise discipline. Hedef sees all the participating companies as family, Enhances and adds value. Believes in wisdom and knowledge, invests in future, Enriches business partners and stakeholders.

For this reason;

“While You are on your way for your New Goals, We always want to be next to you.”

“A Good Impression Starts With The Right Design”

Little details can make you look different than the others and allows you to leave better impression. For this reason, we are working for you to leave better impression on your customers and business partners by using accurate solutions.

Triveni Turbines
İFM ICCI | May 2019

It will make you raise your expectations for domestic and abroad fair organizations when you work with an organised experienced partner who has the knowledge and works for reflecting your brand and image in the right way.

We preferred to collaborate with HEDEF FUAR for our 230sqm fair stand project during IDEF'19. The reason we decided to work with them was their first aim, which was to prepare a good design and a fulfilled final service.

İsmet Can Beller
Project engineer
Koluman Otomotiv Endüstri A.Ş.

We are regularly participating in ICCI from last 3 years. HEDEF FUAR built our booth for ICCI 2015 & I personally thank you Mr Erdal Gomulu for his work. We are satisfied with Mr Erdal Gomulu for his professional work, dedication, on time delivery & over above he will be your own team. We wish him a very good success.

International Marketing and Sales Manager
Triveni Turbines

Dear Hedef Fuar / Erdal Gomulu, Thank you for preparing fair stand design and application for Istanbul 2014 Plast Eurasia Fair. We appreciate your "Turnkey" service. You gave realtime information and shared the whole process with us.

Canan Keser
Sales and Marketing Manager
Astra Polymer Pazarlama San.ve Tic. A.Ş.

Hedef Fuar was the most succesful company that we worked together according to our previous years experiences. In our mind, you became the first company that we will want to work together for our next projects.
